Magnificent property near Sa Pobla. Imagine that you live in a kind of oasis in a house surrounded by orange and lemon trees. This huge estate offers a plot of 59,000 m2 and a two-storey house with a separate building next to an old workshop and stables that can be reused for horses. This property has its own wells and a fully automated irrigation system and even includes a swimming pool! Good soil and a protected place thanks to the surrounding hills and forests provide an excellent harvest of oranges and lemons. The current owner has a contract that includes harvesting and selling products. There are opportunities to include a vineyard by switching to agrotourism. The project can be prepared by a specialized architect. Call or write to us right now and get additional advice on this object! Do not hesitate to contact our real estate agency " YES! MALLORCA PROPERTY" for getting any additional information and organizing a visit
