This new residence project with modern townhouses is located in a fantastically beautiful and idyllic location in the center of Port Andratx, Mallorca's southwest coast. Construction began in 2020 with full completion scheduled for June 2022. The townhouses have a living area of 172 square meters and will have an open-type living room with a spacious and bright dining area and kitchen, 3 bedrooms and 3 bathrooms. The houses will be equipped with an automatic air conditioning system, heated marble floors, an elevator, and aluminum double glazed windows. The complex will have a beautiful Mediterranean garden and a large swimming pool. The object is perfect both for a very profitable investment, and for those who appreciate the respectability, ideal location and beautiful views of nature.
